PROFILE

I am an Entry Level Web Designer/Developer with a strong work ethic and customer service and satisfaction record. Adept multitasker capable of bringing simultaneous web page creation and repair projects to completion with full accuracy and efficiency. Able to function well independently with little to no supervision or in coordination with a professional electronic media team.

PROFESIONAL EXPERIENCES

HAULERADS

Web Design & Developement Intern

September' 2018 - December' 2018

- HaulerAds is a Toronto-based out-of-home advertiser and media provider.
- Developed and execute graphic design assets for print, web, and social media assignments. Developed graphics and videos from concept through to production.
- A video that I edited for Travel Cuba was used for their advertisement campaign.
- Created brilliant website and advertising mockups with proper graphic selection and UI using Adobe Suite.
- Review, update, and maintain online and offline marketing materials to ensure that layout and design is current, consistent, and aligned with core messages and brand standards.
- Designed and developed landing pages for advertising campaigns thus increasing the conversion rates of your marketing campaigns and lowering your cost of acquiring a lead or sale.
